www.katjana.org

As your Alderman I will work hard to accomplish these goals, together with you!

Open, Accessible Government

- Provide early information and include your voice in decisions
- Listen to you in person, in office hours, by phone, mail + email

Affordability + Local Jobs

- Promote affordable housing and job training options
- Reduce parking fees and fines for residents and businesses
- Increase office space for new jobs in Ward 7 and all of Somerville
- Require city vendors to advertise tax-funded jobs locally

Economic Development

- Find new revenue sources to replace decreasing state aid + tax revenue
- Reduce dependence on residential property taxes
- Actively find and help new businesses to locate in Somerville
- Promote Somerville for businesses and jobs

Progress on Powder House School Site

- Develop for green space, local jobs and revenue; not condos only
- Create a mix of open/green space, office space + residences
- Commit buyers + developers to build the neighborhood vision

Students and Absentee Landlords

- Strictly enforce noise + trash ordinances where students live
- Put absentee landlords on notice for poor maintenance

Our Neighborhood T Station

- Fight hard for the Green Line Extension to Rt. 16 in every way possible
- Help neighbors stay in their homes

A Cleaner and Greener Ward

- Improve recycling, transit, bike lanes + facilities, idling limit compliance
- Encourage energy audits + insulation, reduced plastic bag + bottle use
